INTERNATIONAL
# MassTimber℠
CONFERENCE & EXPO

**March 16-19, 2027**
***The 2027 conference will take place Tuesday - Friday***

# Start Up Exhibitor Package

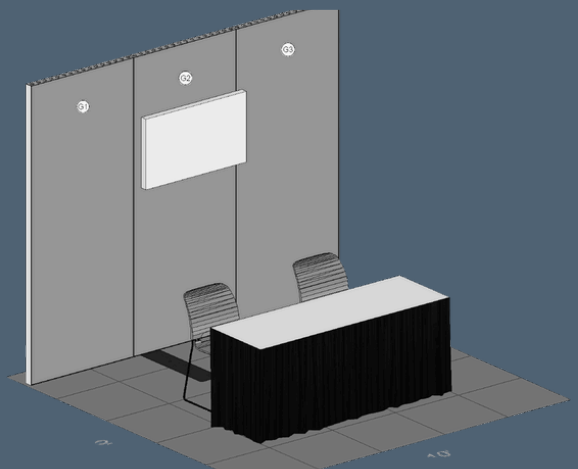

*A Launchpad for the Next Generation of Mass Timber Innovators*

The International Mass Timber Conference introduces the Startup Exhibitor Program — a dedicated showcase for early stage companies bringing fresh ideas, new products, and bold innovation to the mass timber industry.

Selected startups receive a turnkey booth elevated marketing benefits and access to the architects, engineers, developers, manufacturers, and investors shaping the built environment.

*Note: Colors shown are examples only.

## Qualifications for Inclusion

- Revenue: Under $5M annually
- Time in business: 0-2 years
- Employee Count – less than 50 employees
- New to mass timber

## $5595 Package Includes:

- (1) 10x10 Turnkey Booth space (backwall with logo, monitor, 6' draped table, chairs, carpet, electrical and wastebasket)
- (2) exhibitor passes
- Start Up Exhibitor icon on badge
- Start Up Exhibitor icon in online directory
- On-site sign to be placed in booth

*The next breakthrough in mass timber will likely come from a company that does not yet have a booth on the show floor. This program gives attendees a way to discover what is next, and gives founders the most efficient way to enter the mass timber market — surrounded by the customers, suppliers, and collaborators who can turn a promising idea into a real business.*
